

Northwind Gadgets — Returns and Refunds Policy

1. Return Window

Customers may return any eligible product within 30 days of the delivery date. Returns requested after 30 days from delivery will not be accepted, except where the product is found to be defective under the warranty terms in Section 4.

2. Eligibility

To be eligible for a return, the item must be unused, in its original packaging, and accompanied by the order number. Orders with a status of 'cancelled' were never shipped and are not subject to this policy. Orders marked 'returned' have already completed the return process.

3. Refund Processing

Approved refunds are issued to the original payment method within 7 to 10 business days of the returned item being received at our warehouse. Shipping charges are non-refundable unless the return is due to a defective or incorrect item.

4. Defective Items and Warranty

All electronic products carry a 12-month limited warranty against manufacturing defects. Defective items may be returned or exchanged at any point within the warranty period, independent of the 30-day return window.

5. Non-Returnable Items

Software licences, gift cards, and items marked as final sale at the time of purchase cannot be returned or refunded under any circumstances.
